Yaprak Soysal, is celebrated for her unique vision on Street Photography. During her presentation, Yaprak will discuss how to be a visual storyteller by capturing the genuine, the raw authentic moments and discovering beauty in unusual corners.

Yaprak's main focus is life, people and their stories. Her photos

are documents of her random connections. You not only see the stories of the people she runs into, but also you see *her* story in her photos. Yaprak's images have inspired national attention. *Inspired Eye Street Photography Magazine* featured her via interview and photos in 2022 and 2023. Her images were also published in *Docu Magazine* and B&H

featured her in their Creators' Spotlight feature in 2023.

Yaprak is a photographer by passion. She sees herself as a visual storyteller and adventurer. She has a strong urge to convey stories of humanity; illuminating chronicles of life, witnessing moments of curiosity, wonder and creativity, all igniting her passion for photography.

The meeting can also be seen via Zoom. No registration required. To attend: On the night of the meeting go to www.dpsphoto.org, scroll down to the meeting notice and click on the Zoom Meeting link.
